

**REMARKS**

Claims 1-35 are currently pending. Claim 21 has been amended. No new matter has been added. Applicant reserves the right to pursue original and other claims in this and in other applications.

In response to the restriction requirement set forth in the Office Action mailed May 14, 2008, Applicant hereby provisionally elects Group I (claims 1-20) for further examination, with traverse. Pursuant to MPEP §§ 818 et al., Applicant respectfully submits that there would be no undue burden to the Examiner to examine both Groups I and II at the same time. Applicant further notes that independent claim 21 has been amended and is directed to a process practiced on a computer. As such, claims 21-35 as amended cannot be practiced by hand. (MPEP §806.05(e)).

In view of the above, Applicant requests withdrawal of the restriction requirement and examination of all claims in this application.
